Commissioner for Patents

The information disclosure statement (IDS) submitted on 12/2/04 for some reason seemingly was not available to the previous examiner, perhaps due to lag time in making the filing available for the examiner's review. Nonetheless, the submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement has been considered by the current examiner and is attached hereto.

Frank G. Font
Supervisory Patent Examiner
